Rules of the hunt:

- No participants are allowed on the field for any reason until hunt begins!
- Entrants must provide their own metal detector, accessories and recovery tools
- No search coils larger than 12” are allowed

Head phones MUST be worn at all times!

Only hand diggers are allowed! No Shovels!

All holes must be filled in properly

All participants must wear a target recovery pouch for their finds and trash

All trash must be removed if you find it

By my signature below, I agree to abide by all state and local laws concerning metal detecting, as well as Club rules. I will seek and get permission to search private lands. I will fill all my holes, and carry out all the trash. I will report live ammunition or lethal objects to the police. I agree to be polite & informative to those who ask about the metal detecting hobby (You are the one who can show a good image, because there are some who want to ban our hobby). I also agree to not hold any club members or officers or property owners responsible for any harm or accidents I have while on club outings or events. I have read the rules and agree to abide by them.
